<b>Rationale:</b>	<p>In 2017/2018 Kingston Park Academy will receive the fifth year instalment of PE Funding. The funding will be used in a variety of ways to further improve and develop teaching and learning across the whole academy. We will encourage pupils to continue to lead healthy lifestyles, enjoy PE and Sport and experience high quality teaching. They will be encouraged to take part in competitions and aim for sporting excellence. Specialist Active Fusion PE coaches deliver high quality PE &amp; Sport lessons in KS1 and KS2 aswell as professional development for staff, resulting in accelerated progress in the subject supporting the English and Maths curriculum. Having already seen impact of the funding from the previous 4 years we expect for this additional funding to have continued and sustained impact on provision of PE and sport within our academy. Participation by students and staff in whole school audits has resulted in the development of After School Clubs (non-traditional) and purchase of equipment to enhance delivery of lessons.</p>
