

Hello everyone!

My name is Miss Murphy and I am so excited to be joining you in Year 1 at Kingston Park! I can't wait to get to know you all and I'm sure we'll have a wonderful year together filled with lots of lovely learning and fun.

I was born in London and moved to Sheffield to become a teacher, which I've been doing for three years now. I love sharing stories and look forward to reading lots of my favourites with you this year.

When we start back at school, we're going to spend those first few days getting settled in and learning all about each other, I can't wait!

Hope you're all enjoying your summer holidays, see you on Wednesday 1st September!

Miss Murphy 😊
